# Superintendent of Schools

Just a few more days until, "Tag we're it!" It seems like yesterday we were letting students out for the summer. I'm sure they would never admit it, but deep down, many students are just as excited to return this fall as they were to get out for summer. We, too, are excited for the beginning of a new school year.

We continue to strive for excellence in our planning and preparation. Student achievement is our goal and we are well on our way. Our graduation rate continues to increase. We had 22 seniors graduate with both their high school diploma as well as their Associate's degree. Our industry certifications continue to climb as we focus, not just on college preparation, but career readiness as well. Receiving a "B" under the state's accountability system only validates the meaningful experiences

our staff are providing to our students. Thank you for helping else reach this milestone!

Safety is still our number one priority, but now that our schools are hardened, SROs are at every school, mental health initiatives and social and emotional curriculums are in place, we need to continue our quest to improve student achievement for ALL students. We have adopted a new math curriculum, we held our very own AVID conference, we hosted a state-wide Standards Bootcamp focused on implementing the Florida Standards, and we are preparing a rewrite of our Strategic Plan for roll-out in 2020-21. All of these improvement practices will help us move toward our vision of Achieving Excellence by Putting

## Ken Kenworthy Okeechobee County Superintendent

Students First.

To all of our stakeholders, we are counting on you to become involved, hold us accountable and join us in making this school year the best ever. Working together, our measurable outcomes can be accomplished so that each and every student, family, staff member and business partner can see positive growth for our community. We look forward to being of service to you and welcome your input along the way.

**Educationally Yours,  
Ken Kenworthy

# Breakfast & Lunch Program

WELCOME

**BACK TO SCHOOL**

School starts August 12

Please contact  
**Lisa R. Bell,**  
 Food Service  
 Supervisor  
 at 863-462-5148  
 x 214 for more  
 info.

The Child Nutrition Department of Okeechobee County Schools is pleased to inform the public that we will be continuing with the USDA Federal Program for Breakfast and Lunch called Community Eligibility Provision (CEP) for this coming school year 2019-2020.

All of our schools will be participating and will provide healthy breakfast and lunch meals each day at no charge to all students. Current Student debt will not be erased; however, students will not incur future debt for their breakfast and lunch meals. Students and adults will still be allowed to carry accounts with their cafeteria for ala cart and snack purchases.

Adult breakfast prices is \$2.50 and adult lunch will be \$4.00

# OHS Welcome Letter

## Okeechobee High School Welcome Back to the 2019-2020 School Year

The community, students, staff, and faculty all take part in telling the story of Okeechobee High School. Follow us on Facebook or Twitter: @OkeechobeeHS or follow the hashtags: #GoBrahmans and #TheBrahmanWay

The Brahman Way refers to the tradition of "Excellence through P.R.I.D.E." while also addressing our school's mission to create a community of life-long learners who care and support one another as individuals. Developing college and career ready students produces adults who are prepared to take on a challenge, persevere through the struggle, communicate effectively with peers, and who can be trusted to act with integrity. Our Okeechobee graduates will walk away with more than a high school diploma; they will carry with them the same Brahman Pride that is found throughout this supportive community.

One of our goals is to always improve on the opportunities afforded to our students. Becoming College and Career Ready insures that every graduate has the chance to start building a resume' or transcript that communicates their interests and work ethic. Every student has the opportunity to take courses that will lead them toward post-secondary success. Our Advanced Placement (AP) offerings have continued to grow year after year. We are proud to offer AP Literature, Language, Art, Chemistry, Environmental Science, World History, US History, Macroeconomics, Government and Politics, Human Geography, Psychology, Computer Science Principles, Spanish, and Calculus. This year we are also excited to announce the addition of AP Capstone Seminar, followed by AP Capstone Research next year. Passing the task and AP test of these two Capstone courses (Junior, then Senior year), plus successful completion of 4 additional AP courses will allow students to qualify for a national distinction of earning a Capstone Diploma. Through our partnership with Indian River State College, students are able to be dual enrolled as a high school and college student. Last year Okeechobee High School graduated 24 -a new high total- high school seniors who had successfully completed an Associates of Arts degree from IRSC. Students are offered a wide array of courses in multiple disciplines. English, Math, Science, History, and Student Success courses are offered during the school day on campus or are available via a shuttle that runs between the high school and the Dixon Hendry campus. Students have the potential to earn both college and high school credit for free if they are able to complete the course with a "C" or better. Our CTE programs continue to

## Lauren Myers Principal OHS

break previous records for the number of industry certificates earned during the school year. With last year's total topping out at 395 industry certs., our CTE programs are stronger than ever. Notify your guidance counselor if you are interested in Health Science, Building Construction Technologies, Auto Maintenance and Light Repair, Animal Science and Services, Technical Ag Operations, Aquaculture, Digital Design, and Digital Information Technologies. Many of our CTE programs have a professional relationship with community businesses and trade schools. Taking these courses allow students to gather information, earn nationally recognized professional certificates, and expand their career network while still in high school.

Okeechobee High School hosts a special Open House for sophomores on Tuesday, August 6 from 6:00 PM – 8:00 PM. There will be an orientation for parents and students and opportunities to get your schedule, student ID, and important information such as busing schedules. We will begin with the orientation session in the Auditorium for students and in the Gym for parents.

Please join us for our regular Open House on Thursday, August 8th from 7:00 PM - 9:00 PM for all OHS students. Seniors may purchase parking stickers from 1:30 PM – 4:00 PM on Thursday, August 8th. Juniors may purchase their parking stickers from 2:30 PM – 4:00 PM. Sophomores can buy them during the first week of school. To expedite the process for parking stickers, students must bring their Driver's License, Proof of Insurance, Vehicle Registration, and Drug Testing Permission slip. All students purchasing parking stickers on Monday must have a 2.0 GPA, and they must pay for any unpaid fines or fees. Please go to our website for additional parking information. Juniors and Seniors that are College Ready in both reading and math will receive free parking if they have a 3.5 or higher GPA. Parking is issued on a first come, first serve basis and based on the above requirements.

Communication is vital to your student's success. Please follow us on Facebook and Twitter. If you would like to receive a weekly email containing the highlights and events of the week, please make sure that you have added your email account to your student's Skyward. We welcome and encourage parent input and involvement.

If you would like to be a part of our school advisory committee, please email me for more information. I can be reached at [myersl@okee.k12.fl.us](mailto:myersl@okee.k12.fl.us)

Each decision factors into Brahmans moving forward toward their own graduation stage. Class of 2020, this is

your year! Every Senior in your seat at Graduation on May 27 at 7:00 PM.

Looking forward to learning and growing this 2019-2020 school year

## Okeechobee Freshman Campus

**Carol Revels**

**Principal OFC**

### Welcome Back!

We are incredibly excited to begin our 21st year educating students at the Freshman Campus! This promises to be a year filled with exciting opportunities for all of our students as we strive to find ways that we can be even better than we have before! We embark on this journey with a pledge to you, our students and parents, that this will be a year of engaging, meaningful and rigorous work in our classrooms to encourage our students to be involved and connected!

We invite and encourage students and parents to work in partnership with us. We look forward to a very positive and productive year together! We want and value your involvement and support in your child's education! Your active participation is key to the success of your child during their first year of high school.

Please know that we highly value home/school communication at the Freshman Campus. It is vital and plays an integral role in each student's success. We encourage you to contact us if/when the need arises, and to stay in the know about your child's studies, assignments, assessments, and school activities, as well as other events and happenings.

Again, we welcome you to our learning community. Our school is a place alive with much energy, enthusiasm, and a high standard of excellence! It is, indeed, a place where opportunities abound! Here's to an AWESOME

new school year as we work together to make our school a great place to learn each day!

Please join us at Open House on Thursday, August 8 between the hours of 7 pm and 9 pm to pick up your child's schedule and bus information, and meet your child's teachers. We are looking forward to meeting the Class of 2023!

**Educationally yours,  
Carol Revels, Principal**

# Okeechobee Achievement Academy

As the new principal at Okeechobee Achievement Academy (OAA), I would like to welcome back all of our students, parents, teachers, and staff to the 2019-2020 school year. I am honored to succeed Mr. Weigum after his retirement from many years of service to OAA and the Okeechobee County School District, and I am grateful to join a team of professionals who are dedicated to increasing student achievement as well as meeting the social and emotional needs of their students.

While transition in leadership means change, the mission of Okeechobee Achievement Academy remains the same: to provide our students a positive, stimulating, and safe learning environment that promotes the development of individual responsibility, acceptable social skills, and academic growth. Teachers at Okeechobee Achievement Academy are committed to providing a high quality alternative education. This past year, Okeechobee Achievement Academy earned a rating of "Maintaining" from the state of Florida as a result of their commitment and efforts, and we will continue to build on that growth this school year.

Our new and returning faculty are excited to welcome students back to school. Our teachers will be focused on engaging and motivating students, knowing individual student needs, and fostering academic and social success. OAA has a strong foundation in Positive Behavioral Interventions and Support (PBIS) with the possibility of a gold rating for the 2018-2019 school year. Through PBIS as well as partnerships with community and mental health organizations, we will continue to encourage and support our students to excel in the classroom and to succeed in the community.

The faculty and staff at OAA will work diligently to

## Barry Van Camp Principal OAA

know and grow your students. Your support, parents and guardians, is crucial to the academic process. Please encourage your student to come to school every day ready to be productive and successful. Daily, on-time attendance and open communication between teachers and parents are essential to building a relationship that results in student achievement. With your cooperation, we will make strides this year.

Please join us for Open House on Thursday, August 8<sup>th</sup> from 6:00-8:00 PM. Students report for the first day of school on Monday, August 12<sup>th</sup>.

Sincerely,  
Bryan Van Camp, Principal at Okeechobee  
Achievement Academy

*Family Dentistry’s compassionate staff share their dental expertise by first considering all aspects of your dental health. Comfort and excellence are the foundation of our practice*

## School Hygiene Tips

Children are in close contact with others at schools and daycare facilities, where germs can be easily transmitted. Children may not be as conscientious as adults in regard to the health risks associated with poor hygiene. These tips can keep students stay healthy and help prevent germs from being transported home, where they can affect other members of the family.

- Hand washing is essential to good hygiene. Children should wash their hands with soap and water after using the bathroom, before eating and after playing outdoors.

- Children can bring along their own tissues and use them when their

noses become runny. Tissues should be promptly discarded after use.

- Parents should ensure that fingernails are clean, as under the fingernails can be a breeding ground for bacteria. Clipping fingernails and regular hand washing can remove a number of germs.

- Keep ill children home from school, especially if they have a fever. Kids should not return to school until they are fever- or symptom-free.

- Toys and community supplies should be washed or disinfected regularly to kill germs. Cleaning classroom furniture regularly also can help establish healthy educational environments.

## YOUR SMILE SAYS IT ALL

We've been creating beautiful smiles in Okeechobee for over 35 years. Isn't it time to see what we can do for you?

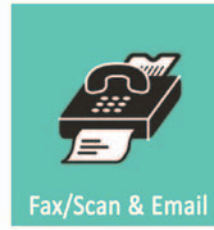

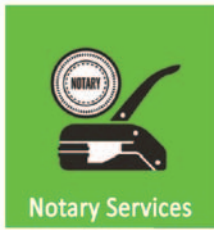

Family Orthodontics

Making a difference one smile at a time

## Exceeding Expectations at Osceola Middle School!

Where has the summer gone? Hard to believe that in less than three weeks the students will once again bring life back to the campus at Osceola Middle School. This is Sean Downing, your principal, and I am looking forward to the start of my tenth year here at OMS. We have had a great summer and our staff has worked extra-hard to make sure that we are ready for you to visit us on Open House on Thursday, August 8, 2019 from 6:00 to 8:00 PM.

I would like to thank students and families for their hard work last year. We received a school grade of B from the Florida Department of Education based on our performance on state assessments for the third in the last four years! We ranked third out of twelve middle schools in our consortium last year (Okeechobee, Hardee, Hendry, Glades Highlands and DeSoto County). We will continue this momentum this year!

Our main goal for 2019-2020 involve giving parents a greater voice in what we do at Osceola Middle School! With that, we would like to invite you to come to a Family Goal Setting BBQ on August 15 when we hope to solicit input for goals for the coming school year. Please join us if you are able. Also, we plan to bring back a sixth grade orientation in the gym at 6:00 PM on August 1. We will share some of the Frequently Asked Questions for upcoming middle school parents and students, including your dress code questions (prior to the Florida Tax Free Holiday on August 2-4, 2019). If you are interested in additional information, please email me!

I am committed to keeping you informed of what we do on

**Sean Downing**  
Principal

our campus. If you would like to be included in my Warrior Weekly Update email, please join my group on REMIND @wwu2020 so I may include you. If you like watching from afar and would enjoy seeing pictures of the students during the multitude of activities on the campus, please "like" us on Facebook (@Osceola.Middle.Okeechobee)! We try to get something new on the Facebook page at least once a week (sometimes more often than that). Additionally, we update our website frequently so check us out online at <http://osceolamiddleschool.sites.thedigitalbell.com/>.

As the summer winds down, let me remind you that students entering seventh grade are required to show proof of vaccinations prior to issuing a schedule/admitting a student to class. If you have a question, please call the main office at (863) 462-5070. Additionally, fall sports tryouts happen right away when we return. Student-athletes are not permitted to try out for a middle school sport until we have a completed physical form/athletic packet on file with Mr. Perman, Athletic Director.

Thank you for your continued support and trust in Osceola Middle School: Exceeding Expectations!

### Finally, here are some dates for you to put on your calendar:

**Thursday, August 1: 6th Grade Orientation and Parent Night at 6:00 PM in the OMS Gymnasium.**

**Thursday, August 8: Open House (district-wide) from 6:00-8:00 PM. We will have signs posted all around campus to direct you!**

**Monday, August 12: The first day of school for students.**

**Thursday, August 15: Family Goal Setting BBQ from 6:00 to 7:00 PM. Come help us set goals for 2019-2020!**

**Friday, August 16: Back to School Social from 4:00 to 5:30 PM.**

**Wednesday, September 11: Quarter 1 Progress Report Day.**

**Thursday, September 12: Early Release Day.**

# Yearling Middle School

## Yearling Middle School Looks to Build on Momentum with More Forward Thinking, Forward Moving in 2019-2020

**David Kraffoff**  
Principal YMS

**Jerrime Shells**  
Assistant Principal YMS

**By David Krakoff, YMS Principal and Jerrime Shells, YMS Assistant Principal**

We reflect on our accomplishments and advancement during the 2018-2019 school year at Yearling Middle School with great pride. But our growth has only made us more passionate and excited about what's ahead.

Last year was a motivating step as our students improved their proficiency rates in all four core subject areas as well while more than doubling the number of students who took and tested in proficient in high-school credit math courses. Our students' proficiency rate grew by 9% in Civics and by 5% in math, resulting in 58% of our students reaching proficient status in our math courses. Our math department enjoyed a banner year overall as 60% of our students improved test scores enough from 2017-18 to qualify for growth according to the Florida Department of Education's scale and 58% of our lowest quartile improved their scores enough to show state-defined growth.

Looking back will help us to move forward. Last year, we introduced Collaborative Learning Teams to our staff, which served as a system that supported our teachers' work with intentionally planning to deepen levels of learning for all students. Our teachers became strategic in guiding students to the deepest levels of a taxonomy of thinking while planning to differentiate instruction based on how students progressed in a unit

of study. Our staff also focused our instructional model around four primary categories, including: Conditions for Learning, Standards-Aligned Instruction, Authentic Learning, and Collaborative Learning. As our improving data suggests, we will continue with this valuable work in 2019-2020.

We will also expand our initiatives to include a campus-wide commitment to AVID strategies with the idea that all students can benefit from organizational strategies, exposure to more rigorous curriculum, and a crystal clear belief system among staff and students and ALL students' possibilities truly are limitless. In addition, we will emphasize reading and writing strategies as we have identified those skills as essential to our continued growth across our curriculum.

We look back with pride about 2018-2019. As we look ahead to 2019-2020, we are committed to growth so that we take another step toward achieving the revised vision for YMS that was created by a combination of all stakeholders last spring that states, "Yearling Middle School will prepare ALL students for success in college, career, and life." We thank you for the privilege of serving our students, families, and community, and hope we have earned your trust and continue to earn more as we work to guide all students to paths that will lead to success as adults.

# Central Elementary School

## Dear Parents and Families,

It is with great pride and excitement that I write this letter of introduction and welcome to you as your newly appointed Principal of Central Elementary. I am honored to have this opportunity to lead a school with such a rich tradition of education! I come to you with over twenty-five years in the field of education all right here in our hometown of

Okeechobee. I have worked with students in grades K-12; as well as with many community stakeholders from our region, both local and state. At the district level I worked extensively with the Exceptional Student Education Office and the Grants and Special Programs Office. Fourteen of these years were spent right here at Central Elementary. Most recently, my administrative experience was at Seminole Elementary School where I served as Assistant Principal. I am excited and eager to work with you as a partner in education to ensure your child's success.

Along with school leadership, teachers, and staff, I will work hard to continue a culture of success by building strong relationships with students, parents, families, and community partners. We will focus on campus safety, student achievement through rigorous and data-driven instruction, character education, social-emotional well-being, building a culture of reading, and building strong relationships with our students so that we can continue to increase all of our students' achievements.

### **PUTTING CHILDREN FIRST**

While Central Elementary maintained a grade of "C", there were many areas of growth. Grade 3 increased in English/Language Arts (ELA) and remained the same in Math. Grade 4 increased in both ELA and Math. Grade 5 decreased slightly in ELA and in Math proficiency. We are excited to work with the District's new math coach to increase math scores and we commit to Putting Students First and providing rigorous academic experiences that will result in our school grade improvement.

Our schedule this year will remain the same with

## Cynthia Kubit Principal

school beginning at 8:10 AM and ending at 2:50 PM. Open House will be held on Thursday, August 12, 2019 from 5:00-7:00 PM.

Meals are free for all students at Central Elementary and no application is needed. As part of the Community Eligibility Program (CEP) students will receive a breakfast and lunch at no cost to the family.

Family engagement will remain a priority and our Academic Parent Teacher Team (APTT) Program will continue this year allowing parents opportunity to meet and discuss their children's progress during the school year.

All of us at Central Elementary are eager and excited to begin what promises to be the best year ever! This year is going to be amazing as we continue to provide academic experiences for our students that are rigorous, relevant, and help them build relationships while making real-world connections. As your Principal, it is important to me that everyone who steps through our doors-teachers, students, parents, family members, stakeholders-are excited to be here! This positive outlook enables us to meet the challenges of academic excellence in a positive, fun, and nurturing environment. My door is always open and I welcome your input. Please feel free to call or email me to discuss any concerns you might have throughout the school year.

I look forward to working with you as a team to help each student at Central Elementary meet their goals and have a successful school year! See you at Open House!

**Best Regards,  
Cynthia Kubit, Principal  
Central Elementary

An advertisement for Cooling Refrigeration Services (CRS). At the top, the company logo features a stylized sun and the letters 'CRS' in blue and red, with the text 'Cooling Refrigeration SERVICES Heating &amp; A/C Service' and the phone number '863.467.4733'. Below the logo is a gold anniversary badge that says '15 Years 2004-2019'. The main image shows a group of seven staff members (six men and one woman) standing in front of a white service truck with the company logo. At the bottom, the text reads '24 hour emergency service Residential www.crsokee.com Commerical'.

# Everglades Elementary School

Welcome to Everglades Elementary School where we are proud of our school, our students, our faculty and staff, and the outstanding community of parents who provide wonderful support to our school. It is my pleasure to extend a warm welcome to you as you begin the 2019-2020 school year with us.

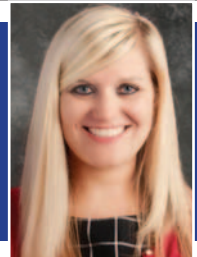

Everglades Elementary School faculty and staff are dedicated to helping children develop academically, socially, physically, and emotionally. Our school strives to have a safe atmosphere where our children will take risks and experience success on a daily basis. Creating a solid foundation for our future school success requires not only instruction in the basic skills, but also fostering a true love of learning in each child. Great efforts will be made each day to inspire our children's naturally curious minds.

By fostering that true love of learning in our students, our students were well prepared for the Spring 2019 FSA. Everglades Elementary School students showed great growth! We are proud of our students for taking an active role in their daily education, and we thank our parents and guardians for taking advantage of the web based systems the district provides for us and supporting the educational process at home.

I'd like to welcome our new and returning faculty and staff members to Everglades Elementary School. They are extremely excited to welcome our children back to school.

We would like to extend an invitation for you to visit our school, attend our children's programs, meet the teachers and staff, and become an active member of our Parent

**Jenni Ellis**  
Principal

Teacher Organization, School Advisory Council, Parental Involvement Committee, and School Volunteer Program. We are happy to have you and your children with us at Everglades Elementary School.

The faculty and staff and I are all looking forward to getting to know and work with all of you to ensure that each and every student in the school is successful this year academically and socially. To that end, we ask that all students come to school on TIME each day with all their required materials prepared to do their best. Success is a team effort and every player, the students, the teachers and the parents, are all integral parts of that team. When every player does his or her best, everyone wins!

Please join us on Thursday, August 8th from 5:00 p.m. to 7:00 p.m. for Open House. The students' first day back is Monday, August 12th. We serve breakfast and lunch to all students free of charge.

**Go GATORS!**

Sincerely,  
**Jenni Ellis**  
Everglades Elementary School

## Kids and sleep

Adequate sleep is important for children's health, states the American Academy of Pediatrics. Quality sleep is just as important as well visits and protective immunizations. Babies and young children may sleep between 10 and 18 hours per day, but by the time a child reaches school-age, he or she may be well-rested after getting between 9 and 11 hours. Sleep is vital for the body to recover and rebuild and for the brain to process new information. The Center for Pediatric Sleep Disorders at Boston Children's Hospital says that children who are not getting enough sleep may experience difficulty learning new tasks. Parents who want to foster good

sleeping habits in their children can try the following strategies.

- Set a smart bedtime and nap schedule.
- Do not allow the use of electronics approximately one hour prior to bedtime.
- Create a regular bedtime routine that includes winding down and cues that rest is coming.
- Stick to the same schedule every day of the week including weekends.
- Make sure kids get daily exercise, which can make it easier for them to grow tired around bedtime.
- Create a cool, comfortable and dark sleeping environment. FP185926

# North Elementary School

Welcome to the 2019-20 school year! I hope that everyone is recharged and ready for a new start. All signs at North Elementary School point to another incredible and productive school year. As the principal of our wonderful school, I am extremely proud of the hard work of our students and teachers, as well as the support of the families that resulted in significant learning gains of our students in 2018-19, a school letter grade of "B". With a stronger focus on school safety and security, and continued emphasis on academic achievement, we are ready to roll out the red carpet at the Open House on Thursday, August 8 at 5-7 PM to welcome our newest Tigers, and welcome back those who are returning.

At NES, we focus on all aspects of education. Over the summer, we named our hallways to support character building. Our students will now enter the school on Respect Roadway, make their way down to the classrooms on the Loyalty Lane, Perseverance Pathway, and Courage Causeway. In addition to the standards based core curriculum in ELA, math, social studies, and science, we will also use the Second Step curriculum to support character education in the classrooms. Additionally, we host a variety of after school clubs and activities for the upper elementary school students. For example, we have a Kind Kids Club, band, Science Olympiad Club, Student Council, and more. We have an on-site gifted program, and we offer tutoring services for selected students to provide additional assistance and support.

It has been proven that meaningful TIME spent on academic tasks is positively correlated with students' academic achievement. For the best educational outcome, it is important that students come to school, on TIME, each and every day. Our doors open at 7:30 AM, and students are invited to enjoy free breakfast and early recess. Families are welcome to visit us in the morning, but everyone is required to sign in at the front office to obtain a visitor's pass. Students will enter the classrooms

**Dr. Tuuli Robinson**  
Principal

at 7:50 for bell work. We kindly ask that parents who walk in with students after signing in at the office will stop at the classroom door and do not enter our instructional areas unless it is a scheduled meeting with the classroom teacher. Parental involvement is important to us, and we hold scheduled Academic Parent Teacher Team (APTT) meetings several TIMES a year that are a perfect opportunity to visit the classroom. Classes begin promptly at 8:10 AM, and we dismiss our students starting 2:50 PM.

Students' safety today is more important than ever. New safety features at NES include a single point of entry with stricter visitation and sign in procedures, additional gates, and a buzzer system to enter the school. More detailed information about these new features is shared at the Open House.

To learn more about our school, please do not hesitate to call us, visit our school page on the OCSB website ([www.okee.k12.fl.us](http://www.okee.k12.fl.us)), or attend our scheduled School Advisory Council (SAC) meetings that are advertised on our web page. Additionally, we invite you to like our Facebook page @NESTigers.

Please enjoy the rest of your summer! We are looking forward to seeing you at the Open House!

**Sincerely,**  
**Dr. Tuuli Robinson**  
**Principal of North Elementary School**

# Seminole Elementary School

## Greetings Seminole Elementary Families and Friends

Welcome to the 2019-2020 school year! We have much to celebrate!

- ★ Our school grade increased by 41 points moving within 20 points of a 'B'.
- ★ 3rd grade math achievement is the highest in the district and exceeds the state average by nine percent.
- ★ 4th grade ELA achievement improved by eight percent.
- ★ 5th grade math achievement is the highest in the district and exceeds the state average by six percent.
- ★ 5th grade science achievement increased 14 percent and exceeds the state average by three percent.

Students will return to school on **MONDAY, AUGUST 12, 2019**. We will continue with an extended day schedule and our theme - Building a Culture of Excellence. We are also excited to welcome our new assistant principal, Dr. Robyn Ziolkowski. We will announce opportunities for you to meet and greet Dr. Z. prior to the beginning of school.

### SCHOOL HOURS:

School hours are 8:00 a.m. – 3:10 p.m. Please ensure your child/children arrive to school on **TIME** and remain the entire day. Frequent late arrivals and/or early dismissals place students at risk for learning deficits and academic failure. Students may be dropped-off at 7:30 a.m. Pull down to the end of the sidewalk to the sign marked "Drop-off Here". Students should exit via the passenger side of your vehicle and walk along the sidewalk reporting directly to the cafeteria for breakfast. There will be staff on duty to assist. Students will be dismissed from the cafeteria to class at 7:50 a.m. Students arriving between 7:50 a.m. – 8:30 a.m. will be provided a grab-and-go breakfast to eat in class. Be sure to provide your child/children with breakfast if they arrive after 8:30 a.m.

### OPEN HOUSE:

Open House is scheduled for Thursday, August 8, 2019 from 5:00 p.m. – 7:00 p.m. Attending Open House is an important first step in making sure your child/children have a successful school year.

### SAFETY PRECAUTIONS/VISITORS:

Do not use the parking lot to drop-off/pick-up students. Parents will be permitted to walk students to class on the first day of school only. Parents are encouraged to schedule conferences with teachers and administration

## Dr. Telma Jackson Principal

as well as attend APTT and other school activities. Contact the front office at: 863-462-5116 to schedule conferences with teachers or administration.

### SCHOOL BREAKFAST & LUNCH:

School breakfast and lunches will be served starting the first day of school. Breakfast and lunch are free of charge to all students regardless of eligibility.

### INSTRUCTIONAL PROGRAMS:

The district and school's priority is to prepare students for college, careers and productive citizenship. All instructional programs are rigorous, well-rounded and aligned to the Florida Standards. Teachers and paraprofessionals are credentialed and participate in ongoing professional development. Most importantly, high expectations are maintained by ALL staff for ALL students.

### STUDENT AGENDAS & COMMUNICATION FOLDERS:

ALL students will be provided agendas in grades 3 - 5 and communication folders in grades K - 5. The Student Handbook and important forms for parents to sign and return to school will be included in the agendas and communication folders. Both the agendas and communication folders will be used throughout the school year to communicate behavior, learning targets, homework, etc. Communication folders will have one pocket labeled "Keep at Home" to be used for newsletters, programs, events, PTO, fundraisers, instructional changes, etc. The other pocket will be labeled "Return to School" to be used for returning forms, notes to the teacher, excused absences/doctor's note, etc. Be sure to check agendas and communication folders DAILY.

### SCHOOL SUPPLIES:

School supply lists are located on the Okeechobee County School District webpage at this link: <http://okee.k12.fl.us/index.cfm?p=2019-2020-supply-lists>

### SCHOOL T-SHIRTS:

School t-shirts will be sold during Open House. You will

# Seminole Elementary School

want to purchase several!

## PARENT INVOLVEMENT:

During Open House, you will have the opportunity to learn more about AND to join our School Advisory Council (SAC), Parent Teacher Organization (PTO) and Parent University. These organizations are opportunities for stakeholders to give input regarding our school budget, school improvement initiatives, fundraisers, school activities and student incentives. Parent university will provide workshops to help parents understand their children and to support academics in the home.

## TEACHER/CLASSROOM REQUESTS:

Administration has given great consideration in properly placing students in the most conducive classroom settings. Once a child has been placed, teacher/classroom requests will not be honored unless there are extenuating circumstances.

## TRANSPORTATION/BUSES:

Be sure your child and his/her teacher know whether your child will be parent pick-up or bus rider. On the first day of school, send a note (and later write in the communication folder) parent pick-up OR your child's bus number AND your home address and contact information.

If you have any questions or concerns, please feel free to notify me at: 863.462.4116. You can also stay up-to-date by visiting our school website at: <http://seminoleelementaryschool.sites.thedigitalbell.com> / and liking us on Facebook at: <https://www.facebook.com/SeminoleElementaryofOkee/?ref=bookmarks>.

Enjoy the remainder of the summer  
Warmest Regards,

### 06 SEM AM

# South Elementary School

Welcome back to our students and families! I am so excited to see all of you for this new school year. We have been working hard this summer to prepare for the start of another amazing year at South Elementary! One change this coming school year is that we have a new Assistant Principal, Mrs. Jennifer McCluskey. She is a great addition to the SES family and I look forward to all of you meeting her!

School safety for all children and staff is our priority at South Elementary. We adhere to district policies and implement safety protocols to ensure a safe, learning environment for all students. In order to maximize the safety of our students, you are invited to walk your child(ren) to class during the first week of school. Beginning August 19, all students must be dropped off in the drop off line or walked to our gate. For drop off in the morning, one line is formed and students exit on the sidewalk. For parent pick up in the afternoons, two lines are formed. The line closest to the sidewalk is for children in PreK-1st grades. The line closest to SW 7th Avenue is for students in 2nd-5th grades. Students with siblings wait with their youngest sibling's grade level. To ensure students are safe at dismissal and to increase the speed of traffic flow, all students must be picked up in a vehicle. Parents are not permitted to walk up and pick up their child(ren.)

We believe that all children can succeed and are dedicated to ensure children learn in a safe, engaging, and nurturing environment. We are promoting literacy school-wide and want our students to love to read! Please help us by reading with your child at home. We also use programs, such as Acaletics, AR, Reflex Math, and iReady to improve achievement in both reading and math.

**Emily Strelman**  
Principal

I am happy to announce that our school will be focusing on social-emotional learning this school year. All students will receive daily instruction in different categories of social-emotional learning. It is our responsibility to empower our students to communicate, cooperate, embrace diversity, and resolve conflict. We will be building healthy relationships and helping develop our children's compassion.

We host many family involvement activities throughout the school year and hope you will join us at these. We appreciate your involvement in your child's education! Please ensure your contact information is up to date and follow our South Elementary School Facebook page for regular updates and event invitations. I also post a Weekly Memo there for families to keep you updated on school happenings.

We are so thrilled for this upcoming school year and cannot wait to see the successes among our students! We will see you August 7 at Open House. Enjoy the rest of your summer break!

Warmly,

**Emily Strelman**  
Principal  
South Elementary School

## Back-to-school safety guidelines

As children head back to school, they and their parents have lots to do to be ready for the first days of school. Clothing and supplies may be top priorities, but families also should focus on safety as the first day of school draws close.

The following are some key tips families can keep in mind to ensure a healthy and happy upcoming school year.

### School bus safety

The National Highway Traffic Safety Administration says that school buses are the safest way for children to travel to and from school. The majority of school bus-related injuries occur while students are boarding and getting off the bus. Over the last 10 years, the NHTSA says nearly two-thirds of school-age pedestrians who were fatally injured by school buses or other vehicles were hurt after being struck while entering or exiting the bus. While at the bus stop, children must remember to stay at least five large steps away from the road and wait to board until the driver says so. When leaving the bus, students should make sure there is no oncoming traffic and wait for a signal from the bus driver before crossing busy streets.

While on the bus, observe the rules and stay seated at all times. Keep the center aisle clear of backpacks.

### Walking/biking safety

Students may walk or bike to school if the school permits. School tends to begin during the morning rush hour, so students must exercise extreme caution when walking or biking to school. Stick to sidewalks whenever possible when walking. Cyclists should follow the rules of the road, including riding in the same direction as traffic. Choose the safest route as a family and practice it before the first day of school, advises the security company ADT.

### Backpack safety

Choose an ergonomically designed backpack to enhance safety and comfort. Backpacks should weigh no more than 5 to 10 percent of the child's body weight, advises the National Safety Council. Rolling backpacks should be avoided since they are a tripping hazard. With a new school year on the horizon, students and their parents can discuss school safety so the year starts off on the right foot. TF199267

# DON'T UNDERESTIMATE THE IMPORTANCE OF CHIROPRACTIC CARE

The most significant aspect of any chiropractic treatment is chiropractic manipulation of the spine or joints of the extremities. Commonly referred to as an "adjustment."

## Chiropractic manipulation is performed to:

- + improve lost range of motion
- + increase segmental joint mobility
- + stimulate joint position sensors
- + promote normal function of the central nervous system

Dr. Charles Simpson uses a wide variety of chiropractic techniques when adjusting patients, allowing him to tailor treatments to the specific needs and tolerances of each individual patient.
